Subject: Personal Statement and Request for Waiver for [Mention the reason for the waiver, e.g., Criminal Conviction, Unlawful Presence, Misrepresentation, etc.]

Dear Immigration Officers / Honorable Judge,

I am writing to you today with a heart full of deep remorse and regret to address [clearly state the offense or circumstance for which the waiver is sought, e.g., my conviction for [offense] on [date] in [location], my period of unlawful presence in the United States, the error in my [visa type] visa application in [year], etc.]. I understand the seriousness of my actions and the gravity of the consequences they entail for my immigration process.

I take full and complete responsibility for my actions. There is no valid excuse for what I did, and I deeply regret any harm or problems my actions may have caused, both personally and to the immigration system. I recognize that my decisions were wrong and that I should have acted differently.

Since [the time of the incident/offense], I have dedicated time to personal reflection and learning. I have taken concrete steps to reform my life and ensure that such an error will not be repeated. [Here you must be specific about the actions you have taken. Examples:]

"I have completed [mention rehabilitation program, therapy, anger management classes, community service, etc.] to address the underlying causes of my behavior."

"I have maintained a clean record since then, demonstrating my commitment to law and order."

"I have diligently worked to pay all associated debts/fines and have complied with all conditions of my sentence."

"I have educated myself about immigration laws and understand the importance of honesty in all processes."

"I have strengthened my family and community ties, becoming a more responsible and conscious person."

My greatest desire is to be able to [mention the immigration goal, e.g., reunite with my family in the United States, continue my life and work legally here, contribute to American society]. I am a transformed individual, and I firmly believe that I have learned from my mistakes and have evolved to be a respectful and productive member of society.

I humbly request your compassion and the opportunity to prove that I am worthy of a waiver. I am committed to living an exemplary life, abiding by all U.S. laws and contributing positively to my community.

Thank you for your time and consideration of my situation. I am willing to provide any additional information that may be required.

Sincerely,

[Your Signature (if printing)]
